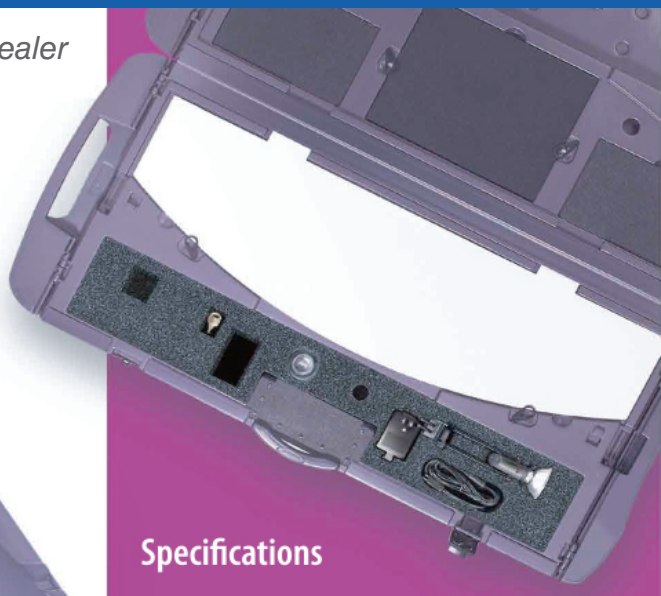
SELF PACKING TABLETOPS

Authorized Dealer

ShowMax Tabletop Display

Presentation Power to the Max



A display that has everything you need all in one package. ShowMax sets up in less than a minute, with no cases or padding materials to put away afterwards. Graphics can remain inside for transport, so they are ready to show when you open the display.

Large exhibition halls seem smaller when you are cruising on in-line skate wheels. Molded-in pull bar and innovative retractable handle give you more comfortable accessability from any position. Standard equipment includes 2 50 watt halogen lights with 7' cord, white laser cut styrene header, and molded in storage compartments for literature. After you fold up ShowMax, Fransen precision lockable latches keep your presentation safe and sound until the next show. Project a more professional image and get better response for your trade show dollars with this innovative display.

- *In-line skate wheels reduce friction and make pulling easier*
- *Narrow profile ShowMax packs into a compact space.*
- *Graphics attach with Velcro and remain in place for transport.*
- *ShowMax protects and stores accessories in die cut foam compartments. No need for extra bags or cases.*

ShowStyle Pro32 features 16"w x 32"h panels and weighs just 20 lbs.

Shown with optional 50w Halogen Lights

ShowStyle® Pro32 Has Arrived!

Something big has just happened with ShowStyle! Introducing the all new ShowStyle Pro32 featuring 14 square feet of graphic area, 77% more than the original ShowStyle Briefcase Display.

The Pro32 is ideal for tradeshows and like the original eliminates the need for awkward panels and shipping cases. Pro32 morphs from a briefcase to a large 64"x 32" fabric covered display in just seconds. After the show it quickly folds up with graphics still in place. Each Pro32 includes a white archtop header and shoulder strap. Add an optional travel bag with 50w halogen lights.

Let ShowStyle make your next presentation an open and shut case for success.

Add the Pro32 to our best selling ShowStyle Briefcase for a winning combination!

ShowStyle Briefcase Display

Every Presentation an Open and Shut Case

Eliminate the need for panels that are awkward and clumsy. Photos, charts, signs or other visuals easily attach to the Velcro ready panels. Each ShowStyle briefcase includes a white arch top header with four tabs that enable the presenter to attach the header quickly and securely. The header easily packs away into special indentations located on the center panels back side. After a presentation, ShowStyle folds back into a "briefcase" with attached visual elements still in place for transport. You'll love our exclusive hideaway handle grip. Push down to

show, pull up to go. Walk in with ShowStyle, and make your next presentation an open and shut case.

ShowStyle morphs from a briefcase to a 48"x24" display in seconds!

Specifications

Construction/Blow molded polyethelene
Display Area/ 48" x 24"
Closed Case/ 24.5" x 13" x 4'
Header/ White arch-top, styrene
Storage/ Header, business card compartment
Display Surface/ Velcro-ready fabric
Weight/ 9lbs.

Discover The New ShowStyle Stage II

See Your Ideas In A Brand New Light

You've already seen the ShowStyle Briefcase Display. You know, the professional looking briefcase that morphs into a 24"x 48" presentation system in just a few seconds.

Now you will see ShowStyle in a brand new light. Graphics will grab more attention, illuminated by two dazzling LumaStar 50 watt halogen lights. Attaching lights is easy with our twin-pin system. When it's time to go, simply place the lights, power adapter and cords back into the convenient foam lined storage area located under the carry case. Graphics or other visual aids attached with Velcro remain in place during transport.
