

BREAKAWAY BANNERS

PRODUCT DESCRIPTION

Reusable breakaway banners are printed full color onto 13oz vinyl or light weight fabric. They are primarily used at sporting events during player introductions. The banner is split vertically into two sections, which are then reattached using Velcro. A pocket is sewn at each end and closed at the top for 2" diameter poles to be inserted and held while players break away the banner sections as they run through it. Additional eyelets and rope may be used to secure extremely large banners. We suggest a minimum of 10 x 8 foot overall size, but custom sizing is available.

SUGGESTED APPLICATIONS

- Team Sporting Events
- Product Unveiling
- Celebrity Introductions
- Surprise Parties

MATERIALS

- » 13oz Vinyl
