

# ILLUMINATED DIMENSIONAL LETTERS

## PRODUCT DESCRIPTION

Illuminated Dimensional Letters allow you to advertise your business 24/7! LED lights illuminate your sign to make your business easy to find when it becomes dark outside.

### FACE LIT

Our durable and attractive fabricated stainless steel channel letters with illuminated acrylic faces make a dramatic statement and provide outstanding low-light visibility. Get the exact combination of daylight and nighttime colors you want with a broad selection of translucent acrylic in letter heights from 6" to 36". The stainless steel return provides a sophisticated look and depth. Choose from polycarbonate or stainless steel backing with the brilliance of integrated LEDs included as part of this letter package.

### HALO LIT

Combine the premium look of our fabricated stainless steel letters with the sophisticated visibility of diffused halo lighting. Produced in a wide range of sizes from 6" to 36" high, in multiple rich stainless finish options, all lit with one of five LED colors. Halo Lit fabricated letters are produced with a removable can to allow for servicing of LEDs. Alloy 304 is the standard stainless alloy, offering excellent resistance to corrosion. Alloy 316 and Titanium are also available and recommended for more harsh environments, such as coastal areas.
