

# INDOOR DOUBLE-SIDED BANNERS

**FRONT VIEW**

**BACK VIEW**

## PRODUCT DESCRIPTION

Indoor double-sided banners can be printed on both sides of smooth blockout vinyl or dye sublimated onto fabric material with a blockout layer sewn between both single-sided layers. Hanging from a rod within a hemmed rod pocket is recommended for wide banners. A bottom pocket with rod will help weigh down and flatten the banner for a professional appearance.

## SUGGESTED APPLICATIONS
